Town Clerk

CHAPTER 173

COMMONWEALTH OF MASSACHUSETTS

In the year One Thousand Eight Hundred and Seventy-nine.

AN ACT to set off a part of the City of Taunton to the Town of Berkley.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 1. All that part of the city of Taunton, with the inhabitants and estates therein, lying southerly of the following line, to wit: Beginning at the easterly corner of the town of Berkley, thence running south forty-eight degrees east to a stake in the line of the town of Lakeville for a corner, is hereby set off from the city of Taunton and annexed to the town of Berkley.

Section 2. All taxes already assessed and that may be assessed before this act is accepted by the town of Berkley, by the city of Taunton upon the inhabitants of said territory hereby set off and annexed, shall be paid by them to said city of Taunton as if this act had not been passed.

Section 3. The town of Berkley shall annually pay to the city of Taunton, from and after the time this act shall take effect, the proportionate part of state and county taxes thereafter required to be assessed upon the inhabitants and territory hereby set off, previous to a new state valuation or new basis for the apportionment of state and county taxes.

Section 4. The town of Berkley shall be liable for the support of all persons who now or shall hereafter stand in need of relief as paupers, whose settlement was acquired from the territory hereby annexed to said town.

Section 5. The town of Berkley shall, within three months after this act is accepted by said town, pay to the city of Taunton the sum of eight hundred dollars, and this sum shall be a full settlement of all claims against the town of Berkley growing out of the provisions of this act; and the school house and lot with the furniture and fixtures therein and all other public property of the city of Taunton, situate in the territory hereby annexed shall hereafter vest in said town of Berkley.

Section 6. This act shall take effect upon its passage, and shall be null and void unless accepted within six months by a majority vote of the legal voters of said town of Berkley present and voting at a legal meeting called for that purpose,

at which meeting the check list shall be used and the voting of such meeting shall be by ballot written or printed "Yea" or "Nay".

House of Representatives. March 27, 1879

Passed to be enacted, Levi C. Wade, Speaker

In Senate, March 28, 1879

Passed to be enacted, Jno. B. D. Cogswell, President
April 1, 1879. Approved. Thomas Talbot. (Governor)

A true copy, Attest: Francis F. G. Andrews, Town Clerk
Note. On April 12, 1879, the Act of April 1, 1879, was
accepted by the town and took effect.

This completes the publishment of the legislative acts
setting up the town of Berkley and bringing the town's area
to the present day. For the previous Acts see the annual
town reports for the years 1975 through 1979.

May 7 (for fiscal 1979)

Article 1. Appropriated for Highway Road Maintenance \$4,000.00

Funded by transfers:

Free cash in surplus revenue,	\$1,100.00
Appropriation, Snow Removal	2,900.00

Article 2. Appropriated for Road Mach. Account \$1,000.00
Funded by a transfer from free cash in surplus revenue.

May 21 (for fiscal 1980)

This is the annual town meeting, usually held on the first Monday in May. Because of the so-called tax cap legislation, allowing the selectmen to postpone the meeting while details of the legislation were being worked out, the date of the meeting was moved to May 21. See Chapter 22, of the Acts of 1979.

Article 1. An oral report of the Finance Committee, presented by Chairman Damon Clegg, was accepted by meeting vote.

Article 2. The reports of town officials as printed in the annual report were accepted.

Article 27. Voted to retain \$117,623.51, the amount of free cash in the surplus revenue account, in that account.

Article 3. Authorized the borrowing by the treasurer in anticipation of revenue 1980.

Article 4. The selectmen were authorized to contract with the State and County in connection with funding for town highways.

Article 5. The meeting set the salaries of elected officials and voted appropriations from taxation for the same:

Office	Salary	Appropriation
Moderator	\$50.00 yr.	\$50.00
Selectmen:		
Chairman	546.00 yr.	
2 members @	520.00 yr.	
Auditor	100.00 yr.	100.00
Treasurer	1,872.00 yr.	1,872.00
Tax Collector	2,128.00 yr.	2,128.00
Assessors:		
Chairman	676.00 yr.	
2 members @	546.00 yr.	
Town Clerk (no fees)	1,050.00 yr.	1,050.00
Planning Board:		350.00
Chairman and Clerk, @	100.00 yr.	
3 members, @	50.00 yr.	
Tree Warden	4.68 hr.	Art. 7
Board of Health:		350.00
Chairman	150.00 yr.	
2 members, @	100.00 yr.	
Highway Surveyor	4.68 hr. Hwy acct.	
School Committee:		260.00
Chairman	60.00 yr.	
4 members, @	50.00 yr.	

Library Trustees:		50.00
Chairman only	50.00 yr.	
Cemetery Commission	3.50 hr.	Art. 11

Article 6. By separate votes, the meeting appropriated from taxation, expense accounts for several departments:

Department	Appropriation
Moderator	\$ 125.00
Selectmen:	
Clerical	600.00
All other	1,200.00
Auditor	95.00
Treasurer:	
Clerical	3,276.00
All other	2,548.00
Tax Collector:	
Clerical	3,822.00
All other	1,794.00
Assessors:	
Clerical	2,270.00
Mapping	300.00
All other	1,560.00
Town Clerk	500.00
Planning Board	600.00
Board of Appeals	100.00
Finance Committee	60.00
Soil Conservation Board	100.00
Conservation Commission	300.00
Historical Commission	100.00

Article 7. By separate votes, the meeting appropriated funds for several departments. These appropriations are to be funded as follows:

Dept.	Appropriation	Taxation	Anti-recession	Revenue sharing
Town				
Counsel	\$1,500.00	\$1,500.00		
Elections	500.00	500.00		
Regis-				
Board of				
trations	1,225.00	1,225.00		

Police	49,730.00	23,730.00		\$26,000.00
Fire	36,970.00	35,398.93	\$1,571.07	
Civil				
Defense	1,200.00	1,200.00		
Dog Officer	1,600.00	1,600.00		
Tree	2,500.00	2,500.00		
Health	5,200.00	5,200.00		

Article 8. Voted the purchase of a new police cruiser, the 1974 cruiser to be traded in and to appropriate \$8,000.00 for this purpose, to be funded by taxation.

Article 9. Appropriated from taxation for pest control, funded from taxation:

Gypsy and brown tail moth, suppression	\$201.00
Dutch elm disease, control	508.00

Article 10. Appropriated for a reserve fund for the use of the Finance Committee, the funds to be taken from overlay surplus— \$20,000.00

Article 11. Appropriated, to be funded by taxation, for several departmental accounts:

Accounts	Appropriations
Care of Berkley Common	\$ 450.00
Annual reports to the townspeople	1,600.00
Water for certain town buildings	100.00
Town cemetery	900.00
Memorial Day, and care of Veterans Memorial	200.00
Care of Veterans graves	200.00
Insurance:	
Town buildings, vehicles, liability, police, and fire	16,446.50
Workmens' compensation	5,000.00
Group	16,500.00
Unemployment	10,000.00
County retirement assessment	16,815.00
Interest on loans	8,700.00

Article 12. By separate votes, the meeting raised and appropriated funds for the expenditures of the several inspection departments:

Department	Appropriations
Building	\$ 1,300.00
Electrical wiring	700.00
Gas piping	200.00
Board of Health:	
Plumbing	700.00
Sanitation	500.00
Well	200.00

Article 13. For a grant to the Berkley-Dighton Community Services Association, the meeting voted to raise and appropriated \$1,500.00.

Article 14. Under the authority of several votes, appropriations were made for the following highway department accounts, all funded by taxation.

Accounts	Appropriations
Berkley-Dighton bridge	\$ 500.00
Snow removal, sanding, snow fence	5,000.00
Road maintenance	57,000.00
Road drainage	1,800.00
Street lights	1,200.00
Road machinery	4,500.00

Article 15. For highway construction, reconstruction and improvement, \$7,621. was raised and appropriated, to be used in any funds to be allotted (by the State and County?)

Article 16. Raised by taxation, and appropriated for veterans services, \$12,000.00.

Article 17. For the School Department, from taxation an appropriation of \$991,659.76.

Article 18. This article, relative to an appropriation for the school department which would exceed the tax cap of 4% of the previous year's appropriation, was laid on the table, thus killing it.

Article 19. Appropriated for our share of the costs of the Bristol-Plymouth Regional Vocational Technical School District, \$46,099.00, to be funded by taxation.

Article 20. A total appropriation of \$7,935.00 was voted for the Public Library. Funding was by taxation, \$7,683.56, and by a transfer from the dog fund, \$251.44.

Article 21. The Council on Aging was voted an appropriation of \$2,478.32, to be raised in the tax levy.

Article 22. The meeting voted for a summer program for school children an appropriation of \$2,700.00 to be raised by taxation.

Article 23. An article to change the amount over which bids are required, stated in the by-laws as \$500.00, to \$1,000.00, was laid on the table.

Article 24. Under this article it was unanimously voted that the Moderator appoint a five member study committee to study land acquisition needs for all town departments, to report to the selectmen and the town before the next annual town meeting.

Article 25. \$127.25 was appropriated from taxation to pay the following unpaid bills of previous fiscal years.

Taunton Visiting Nurse Association, \$28.00 and \$50.75

Charles M. Souza, M.D., \$30.00.

St. Pierre Pharmacy, \$2 at \$9.25.

Article 26. To increase the amount accumulating in the Stabilization Fund, an appropriation of \$20,000.00 was made, with the funds to be transferred from free cash in the surplus revenue account.

Adjournment came at 10:55 p.m.

Funding sources for appropriations voted at this town meeting:

Federal sources:

Revenue sharing funds	\$ 26,000.00
Anti-recession funds	1,571.07
Dog fund	251.44
Overlay surplus	20,000.00
Free cash in surplus revenue	20,000.00
Taxation (raised)	1,333,532.32
Total appropriations	<u>\$1,401,354.83</u>

August 23

Article 1. The "Citizen of the Year 1978" awards by the selectmen were announced by Mr. Robertson, as follows.

The winner of the 1978 Citizen of the Year award in the category of Municipal Service is given to a man who first became involved in public service in 1942 when he became Chairman of the Rationing Board. Since then he has served for thirty-six consecutive years in a variety of positions both appointed and elected. To highlight some of these: in 1946 and 1947 he served on the Finance Committee; in 1952 he was elected Selectman and served until 1955. During this period he was Chairman of the committee to build our fire station and buy our first real fire truck. In 1957 he became Treasurer, Accounting Officer and Moderator for the Town of Berkley and served with distinction in these capacities for twenty-one years. Somehow during all this he made the time to support our Boy Scouts. He ran a very successful business, the trout farm on Berkley Street, until this was destroyed by the 1954 hurricane. It gives us great pleasure to make this award to an outstanding public servant on whom the community of Berkley has depended for many years; Richard A. (Dick) Perry.

The winner of the 1978 Citizen of the Year award for Volunteer Service is given to a woman who has always been willing to serve when needed. During World War II she served as a Blackout Warden. She worked with the Cub Scouts and Brownies in Berkley. She was the first woman appointed a Forest Warden in Massachusetts history. However, the truly outstanding service she has given to Berkley began on Halloween night, October 31, 1954, during the Beagle Club fire. Since that night she has served for twenty-five consecutive years as our Fire Department dispatcher.

It gives us great pleasure to award our Citizen of the Year award to Marietta (Etta) Fournier.

Article 2. Voted to lay on the table, action on this article, as there were no unpaid bills of previous years, for once.

Article 3. The meeting appropriated \$1,500.00 for an audit of the revenue sharing and anti-recession Federal funds, to be transferred from free cash in surplus revenue.

Article 4. Authorized the sale of unspecified road machinery items by the selectmen.

Article 5. Appropriated \$500.00 for the purchase of a used road sander, the funds for this purpose to be transferred from the road machinery fund.

Article 6. For the road machinery account, a supplemental appropriation of \$2,000.00 was made, the funds to be provided by a transfer from free cash in surplus revenue.

Article 7. The school department request for an appropriation which would exceed the tax cap of 4% of the previous year's appropriation, defeated at the annual town meeting of May 21, was resubmitted at this meeting. Requiring a two thirds vote in order to pass, the amount of \$16,107.00 was approved by a vote of 27 to 9, the funding to be by a transfer of funds from free cash in surplus revenue.

Article 8. Appropriated \$1,000.00 for a town clerk's special clerical account for work on old records, the funds to be transferred from free cash in surplus revenue.

The meeting was adjourned at 8 o'clock, p.m.

Funding sources for appropriations voted at this town meeting:

Road Machinery Fund	\$ 500.00
Surplus Revenue (free cash)	20,607.00
	<hr/>

Cash balance December 31, 1979		269.30	
			<u>\$ 766.55</u>

Note

A considerable increase was made in the number and cash received from the sale of dog licenses in 1979. This was due to a super effort by Dog Officer Antonio M. Fernandes, resulting in the most licenses issued ever in one year in Berkley. The only fly in the ointment was that these licenses were issued mostly in November, and this took a lot of time away from regular work in the office, making for delays in the ordinary work reporting procedures. Congratulations to Mr. Fernandes for a great job. Please let the town clerk know if he can help in any way to get to it earlier this year.

Commencing in November of 1979, a new statute took effect, requiring all dog owners to present a current rabies certificate before a license can be obtained. The term of such a certificate, for dogs over a year old when their first shot was given, is now three years. The Board of Health has been asked to sponsor a rabies clinic in Berkley as early as possible in 1980.

Attest:

FRANCIS F. G. ANDREWS,
Town Clerk

JURY LISTS

Drawn January 1 to June 30, 1979, from 1978 - 1979 list:

Babcock, Christine C.	O'Donnell, Joseph J.
Combs, Patricia L.	Riendeau, Francis C.
DeArruda, Robert J.	Rose, Antone, Jr.
DeSena, Jose P.	Rose, Russell A.
Duarte, Jose L.	Slaney, C. Alan
Holmes, Linda J.	Taylor, Jean M.
Hutchison, Ronald T.	Tomawski, Ronald J.
Marshall, Robert B.	Vandal, Louise M.
Mitchell, William B.	

Not on any list, the following eight persons were named by the selectmen in May and June to serve in June and July, after the 1978 - 1979 list had been exhausted:

Bopp, Margaret M., 93 Bryant
 Chester, Roger E., 222 Bay View
 Codega, George T., 14 Bay View
 De Oliveira, 10 Freeman
 Gouvias, Joseph, 82 Jerome
 Robertson, John D., Jr., 23 Swing Drive
 Uronis, John, Orchard
 Whittemore, Paul J., 23 Burt

List for July 1, 1979 to June 30, 1980:

* indicates drawn July 1 - December 31, 1979

Andrade, Antone R., Jr., 22 Seymour
 Awalt, Charles, 96 Myricks
 *Billadeau, John C., 7 Jessie Land
 *Burda, John J., 90 Riverside Drive
 *Cambra, John, 522 Berkley
 *Carter, Rita A., 25 Forty-second
 Choate, Jeannette L., 606 Berkley
 *Corcoran, Henry, 6 Chester Ave.
 *Deal, Calvin E., 90 North Main
 DeMerritt, Ruth E., 30 Bay View
 Desrosiers, James E., 22 Padelford
 *Dunn, Owen M., 31 North Main
 Heywood, Fred, Jr., 43 Bay View
 *Hoxie, Albert R., 728 Berkley
 *Kopczyk, Anthony, 48 Macomber
 *Martin, Cynthia D., 528 Berkley
 *McCormick, Bertha, 560 Berkley
 *McMackin, Barbara, 19 Pine
 *Medeiros, Antone, 1 Elm

- *Medeiros, John J., 4 Hillside Ave.
- *Mount, Rosemary, 659 Berkley
- *O'Donnell, Dorothy K., 26 County
Poirier, Mary A., 747 Berkley
- Quental, Gordon D., 4 Grinnell
- *Richard, Linda J., 20 Seymour
- Senechal, Agnes P., 564 Berkley
- *Silvia, David, 16 North Main
- *Silvia, William M., 698 Berkley
- *Simmons, Shannon L., 2 Bryant
- *Southworth, William H., 2 Bay View
St. Yves, Hilda F., 127 Myricks
- Sousa, Marilyn A., 698 Berkley
- Sylvia, George F., Jr., 630 Berkley
- *Trimbach, Sandra, 16 Pine
- *Werderitsch, Ruth L., 708 Berkley
- *White, Frederick B., 610 Berkley

SUMMARY OF REPORT OF A STATE AUDIT

Mr. Edward G. McCann, Jr.

Director of Accounts

Department of Revenue

Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the **temporary** treasurer of the town of Berkley for the period from July 1, 1977 to November 30, 1978, preparatory to a transfer of the cash and savings deposits and books and accounts to the newly-appointed **temporary** treasurer, and submit the following report thereon:

The books and accounts of the **town** treasurer were examined and checked. The receipts, as recorded, were analyzed and checked with the records in the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were compared with the treasury warrants, as authorized. The cash balance on November 30, 1978 was proved by reconciliation of the bank balances furnished by the bank of deposit and verification of the savings account.

An examination was made of the Federal Revenue Sharing and Antirecessionary Fiscal Assistance Funds received from the Federal government, the appropriations were checked with

the town clerk's record of town meeting votes, and the payments were compared with the selectmen's warrants authorizing the disbursement of Federal Revenue Sharing and Antirecessional Fiscal Funds. The cash balances on November 30, 1978 were proved by reconciliation of the bank balances with a statement furnished by the depository, by examination of the savings bank book, and by verification of the cooperative bank shares.

An examination was made of the Federal Revenue Sharing and Antirecessional Fiscal Assistance Fund Statements of Changes in Available Funds and Obligations. Incurred in the town of Berkley for the period from July 1, 1977 to November 30, 1978. The examination was made in accordance with the auditing standards set up for municipalities under Chapter 44, General Laws, and the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, and, accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Statement of Changes in Available Funds and Obligations Incurred present fairly the revenue, expenditures, and obligations incurred and the status of Federal Revenue Sharing and Antirecessional Fiscal Assistance Funds of the town of Berkley on November 30, 1978 in conformity with the accepted accounting principles in force for Massachusetts municipalities.

As of the audit date November 30, 1978 the sums due the general cash account from the following listed special cash accounts were:

Federal Revenue Sharing	\$ 8,278.66
Federal Antirecessional Assistance	1,792.17
	<hr/>
	\$10,070.83
	<hr/>

The savings bank books representing the investment of the several trust and investment funds in the custody of the town treasurer were examined and listed. The income and balances were proved and all transactions were examined and checked in detail .

The payments made on account of maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file.

Deductions from salaries and wages for Federal andn State taxes, the retirement system, group insurance premiums, union dues, and credit union were examined and checked, and reconciled with payments to the proper agencies.

The records of tax titles and tax possessions held by the town were examined and checked. The amounts added to the tax title account were verified, the reported redemptions and disclaimers were verified, and the tax titles and tax possessions on hand were listed and reconciled with the accounting officer's ledger and compared with the records at the Registry of Deeds.

The records of departmental accounts receivable were examined and checked. The recorded receipts were checked with the payments to the treasurer, and the outstanding accounts were listed and proved.

The surety bond filed by the new temporary treasurer for the faithful performance of his duties was examined and found to be in proper form.

There are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax title, tax possession, and departmental accounts, together with schedules showing the condition and transactions of the trust and investment funds.

On behalf of my assistants and for myself, I wish to express appreciation for the cooperation received from the town officials while engaged in making the audit.

Respectfully submitted,

(s) ROBERT M. CROSBY,

Assistant Chief of Bureau

Attest: FRANCIS F. G. ANDREWS, Town Clerk

**SUMMARY OF
REPORT OF AN AUDIT OF REVENUE SHARING AND
ANTI-RECESSION FUNDS**

Kane and Kane, Inc. - Certified Public Accountants

Honorable Board of Selectmen
Town of Berkley, Massachusetts

We have examined the accompanying balance sheets of the Revenue Sharing Restricted Fund and the Antirecession Fiscal Assistance Restricted Fund of the Town of Berkley, Massachusetts, as at June 30, 1979, the related statements of receipts and disbursements and schedules of appropriations and appropriations disbursements for the years ended June 30, 1977, June 30, 1978 and June 30, 1979. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The town maintains the accounting records of these funds on the basis of cash receipts and cash disbursements; consequently, revenues and their related assets are recognized when received rather than when earned, and expenses charged to these funds are recognized when paid rather than when a liability is incurred. Accordingly, the accompanying financial statements do not necessarily present financial position and results of operations in conformity with generally accepted accounting principles.

In connection with our examination, we also (1) made a study and evaluation of the town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and Regulations as required by Sections 11.c.3 and 111.c.3 of the Audit Guide and Standards for Revenue Sharing and Anti-Recession Fiscal Assistance Fund Recipients issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data on Bureau of Census forms RS-8 with the unaudited records of the town as required by Section 11.c.4 of the Audit Guide. Our examination also conformed to the Audit Guide and Standards for Revenue Sharing Recipients (Revised 1976) as to transactions prior to January 1, 1977. Our comments with respect to internal control are set forth under the section of this report entitled "Comments."

As disclosed more fully in the Notes to the respective financial statements, the town has not complied with all of the regulations and provisions of the law as to public participation and publicity relating to appropriation of funds, and as to accounting for Antirecession Fiscal Assistance expenditures. Differences exist as between certain financial census data for the fiscal for the fiscal years ended June 30, 1976, 1977 and 1978 recorded on Office of Revenue Sharing conformation forms and the town's unaudited internal records. As to Antirecession Fiscal Assistance Funds, some entitlement funds have been appropriated for expenditure after the six-month period from date of receipt, and other funds on hand have been appropriated for expenditure in the 1979-80 fiscal year, the appropriation having been made after expiration of the time limit cited. It appears probable that corrective action will be required as to compliance omissions and such corrective action may effect the financial positions of the funds and their results of operations.

In our opinion, subject to the effect, if any, of corrective action on the financial positions and the operating results of the funds, the financial statements referred to above fairly present the collected revenues and expenditures of the respective Funds for the three years ended June 30, 1976, June 30, 1977 and June 30, 1978 and the resulting balances of cash and cash equivalent and fund balances at June 30, 1979 on the cash basis of accounting, which accounting method has been applied consistently.

SELECTMEN'S REPORT

1979

1979 was a good year for Berkley as we made significant progress in a number of important areas. We didn't borrow any money in anticipation of tax revenue and will pay off the last installment on the school bond for the elementary school to become "debt free" in January 1980.

The revaluation firm the Town hired revalued all property within Berkley and although the tax bills were not sent out until late in December, our new tax rate is \$21.00 per \$1,000 based on 100% valuation. This means we pay approximately 2% per year which is far below the average throughout Massachusetts. This seems to be a much more equitable tax base for our citizens who live in older as well as newer homes. We have a problem regarding vacant land because our request for classification was not approved. Consequently, all vacant land is currently being taxed at its fair market value. We hope this is for one year only and that next year our vacant land will be taxed at a lower percentage. This will increase the rate on our homes somewhat but will significantly reduce the pressure on those who own this land to sell or subdivide it.

The Highway Department under Raymond Rose has continued to work diligently throughout Berkley to improve the condition of our roads. They have cut the brush along the roads to improve visibility, resurfaced Anthony Street, oiled approximately eleven miles of roadway, widened and graveled Cotley Street, cutback shoulders, installed drainage pipes, erected a stone barrier at the corner of Elm Street and Bayview Avenue, maintained road signs and installed said barrels in strategic locations. Maintaining our highway machinery has taken a lot of time. They have added a new sander, rebuilt a dump truck and painted the equipment, all on a cost effective basis.

The Third Annual Berkley "Citizen of the Year" Awards were presented. **Dick Perry** was recognized for his long and continuous service to Berkley as financial officer and treasurer. We want to take this opportunity to thank him once again for over twenty years of dedicated service. The Citizen of the Year for Outstanding Volunteer Work was won by **Marietta Fournier** for serving for twenty-five consecutive years as Fire Department dispatcher.

An event of considerable importance to the Town was the closing at year end of the landfill operated by the SCA Corporation. This closing means that our Solid Waste Study Committee must locate an alternative site within Berkley for

the disposal of our trash. A number of neighboring towns are considering putting in incinerators to convert waste into energy. We will explore the possibility of disposing of our waste in this manner as well as burying it within the town. We have plenty of area so that as long as we limit the disposal of our own waste within the community, we have areas which will last for many years.

Volunteerism continues to be the foundation of our government in Berkley and we hope this will continue. We have a number of commissions and committees that work on specific areas throughout the community. One of these, the Land Use Study Committee, has been working hard to access our need for municipally owned land for a variety of purposes and the feasibility of its acquisition.

During 1978 the Town entered into an agreement with K. R. Rezendes Company and awarded them a gravel removable permit at a previously opened gravel pit in the south corner of Berkley. Mr. Rezendes agreed to donate to the Town an eight acre park and ballfield on Anthony Street, to clean up the present pit and to seed and reforest the area after removing the gravel. During the time the pit is open Berkley can get any gravel it needs for Town use at no cost. This kind of cooperative agreement between business and government represents a constructive approach that satisfies everyone's needs. The Town of Berkley benefits as do the business interests of those needing gravel and those employed by the firm. At the same time our recreational needs are improved while we clean up a mess. This is a rather unique approach and we are able to do this in Berkley.

During the year we issued a number of permits to residents to operate business in and around their homes; today more than 90 individual businesses operate in Berkley.

We need all the help we can get from those interested in any specific aspect of Town government. We meet Thursday evenings at 7:30 p.m. in the basement of the Junior High School and are interested in any of your concerns. You do not need to reserve time to speak, although you may have to wait for a few minutes while we discuss other business.

We thank you for your support during the past year and ask for your continued support in 1980.

Respectfully submitted,

MICHAEL S. ROBERTSON, Chairman

GEORGE A. MOITOZA

ARTHUR P. MILLER

HISTORICAL COMMISSION BICENTENNIAL COMMISSION

During 1979 the Historical Commission continued to compile data on old houses, archaeological sites and town history. We are grateful to the many residents who have added to our historical knowledge, and urge anyone who has information or needs answers to queries to contact any member of the Commission.

We received donations of historical memorabilia from Roger Chester and the family of Maria D. Aguas. Milton Babbitt, whose family settled in Berkley in 1658, was appointed to fill the unexpired term of the late Carolyn Chester. Milton's knowledge of early town history is of great importance in our research.

We had meetings with Dr. Pamela Miller, a faculty member at Pennsylvania State University, who will soon publish a book on Capt. Samuel Braley, Whaleman. Marian Braley Stetson added much Braley genealogy to Dr. Miller's research. Commission members and their families attended the Garden Party and lecture at Whitehall, Middletown, R.I., the residence of Bishop George Berkeley, for whom our town is named. The party was one of the many events held during 1979 to commemorate the 250th Anniversary of Berkeley's arrival in America.

In 1985 Berkley will celebrate it's own 250th Anniversary. A Celebration Planning Committee should be appointed during 1980, and town funds set aside each year for the next five years to insure a meaningful celebration without forcing a financial burden on the taxpayers.

Progress in the community often endangers historic sites which can never be replaced. We must carefully evaluate each new proposal which is presented for the benefit of a few individuals. Future generations have the right to enjoy and cherish our town's heritage.

Respectfully submitted,

BLANCHE E. TRZCINSKI

DEPARTMENT OF CIVIL PREPAREDNESS

Dear Residents of Berkley:

It has been a privilege to serve this past year as your Civil Preparedness Director. The year has been a busy one. The most prevalent emergency was the flooding of Water Street this past February. With the help of my Deputy Director Mr. Robert Harmon, residents of Water Street and the Massachusetts District Commission from Belchertown we were able to successfully pump the flooded area down to a inhabitable level. The entire operation lasted well over thirty-six hours.

Other tasks were writing and securing approval from the State/Federal Government on our new Basic Operation Plan for use in time of Emergency whether it be natural or nuclear. Also I was able to have the Berkley Civil Defense Department come under Federal funding thereby providing matching funds for all administrative and salaried costs of the department.

Finally at present I am working on the possibility of obtaining three new sirens for use in any emergency whether it be a Civil Defense or Fire problem. The new sirens would be strategically placed, one in the Myricks area, one on the Neck area and one on the Common. You will be hearing more about this at the Annual Town Meeting.

As always this department is ready to serve. Thank you.

Respectfully submitted,

BRIAN W. PERRY,

Director

BRISTOL COUNTY MOSQUITO CONTROL PROJECT

December 31, 1979

On June 30, 1980 the Bristol County Mosquito Control Project will complete twenty-one years of service to the cities and towns of Bristol County.

During the 1979 Spring season, mosquito populations were relatively high in most areas throughout the county. This situation existed throughout most of central and southeastern Massachusetts.

Our spray program got underway the second week of May but spray operations were hampered by periods of heavy rain and showers during the latter part of the month, as it rained a total of eight days between May 13th and May 31st.

Despite weather conditions, by mid-June we had appreciable control on the spring brood. This was due to an increase in our spray program in that we had five Leco ultra low volume sprayers and two mistblowers working six days a week. Each truck also carried Altosid Briquets which were placed in the catch basins to stop them from breeding mosquitos. This was done during the regular work day when it became either too hot or windy to spray. By mid-summer, most areas were rid of the large hoardes of mosquitos that had emerged in the spring. During 1979 there was not one confirmed case of eastern equine encephalitis in any city or town in Bristol County.

On October 1st our spray equipment was put away for the season and all crews turned to ditch maintenance and water management projects. The Project now has two tractor-trenchers working year round to clean existing ditches and streams of debris. These machines are also constructing new drainage ditches on the salt marshes along Bristol County's coastline as well as upland swamp water management ditches. With the construction of new ditches into known breeding areas, we will further reduce the mosquito population. These machines are available to the cities and towns for this type of work on request, should it be determined that this work will aid in the control of mosquitos.

At the close of 1979, aside from our regular spray program, we answered 69 individual spray requests for parties, weddings and other various outdoor activities; treated 12 acres of swamp with larvicide; cleaned 120 feet of existing streams and brooks of brush and debris, and dug 700 feet of drainage ditch with our tractor-trencher.

In 1980, we will have a total of seven Leco ultra low volume sprayers. With an increase in our water management program, coupled with the latest spray equipment, the Bristol County Mosquito Control Project is looking forward to faster and better service in the coming year.

I would like to include in this report that on April 20, 1979 Superintendent Frank W. Dillingham retired from the Bristol County Mosquito Control Project. On April 25, 1979 I, Alan W. DeCastro, was appointed Superintendent. I have worked for the project since it was organized in 1959. From 1960-1965 I was a crewleader. During the latter part of 1965 I was appointed Assistant Superintendent, a position I held until my appointment as Superintendent.

We, at the Bristol County Mosquito Control Project, would like to extend our sincere thanks to the Town of Berkley for their continued support and cooperation.

Respectfully submitted,

ALAN W. DeCASTRO,
Superintendent

REPORT OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

During 1979 the Town of Berkley continued its membership for the tenth year in the Southeastern Regional Planning and Economic Development District. SRPEDD is a planning agency formed under state law to serve communities in southeastern Massachusetts by providing a cooperative approach to regional issues.

The District is governed by a Commission consisting of a chief elected official or designee and a planning board representative from each participating municipality and six low-income and minority representatives. Berkley's Commission representatives from the Board of Selectmen and Planning Board are Steven Bachand and Kenneth Woodward, respectively. Berkley is represented on several advisory committees and Mr. Woodward serves as the Assistant Treasurer.

In addition to regional planning, SRPEDD assists member cities and towns. Through the free municipal assistance program, each community receives time for local projects and assistance in preparing applications for federal and state funds.

SRPEDD assisted Berkley this past year by:

- providing advice to the Planning Board on streets and assessment of vacant land
- reviewing current zoning
- working on the Taunton River Crossing Study with special attention to Berkley and Dighton, including holding public meetings
- providing information to the Council on Aging in preparing a grant application.

The agency's purpose is to plan for regional land use, economic development, housing, historic preservation, transit, transportation, solid waste and air and water quality. Local participation in these regional plans enables communities to be eligible for federal and state dollars.

Regional plans completed this year benefitting all communities include:

***The Overall Economic Development Program (OEDP)** makes member communities eligible for EDA funding and a 10 percent bonus for public facility projects.

***The Areawide Housing Opportunity Plan (AHOP)** will be used to guide location of subsidized housing to ensure that each community receives its fair share and that none is

overburdened. SRPEDD is one of only 23 in the country to receive federal approval of its plan.

***The Transportation Improvements Program (TIP)** lists major projects in each community for federal and state funding. A project must be included on the TIP in order to be eligible for these funds.

***Planning Notes**—a “nuts and bolts” newsletter about zoning and growth issues facing communities—is sent to the Planning Board.

SRPEDD represents the collective will of its member communities. As the responsibilities and problems of municipalities become increasingly complex, the District can provide technical assistance to local boards, encourage cooperation among communities, and provide a comprehensive approach to issues that cross local boundaries.

REPORT OF THE CEMETERY COMMISSION

In a meeting held on May 21, 1979 the Cemetery Commission voted the following: Margaret Bopp, Chairman; Francis Andrews, Clerk.

As an Eagle Scout Community Project, David Cambra of North Main St. and a group of scouts will start repair of the cemetery wall. This will be done under adult supervision.

After considerable discussion it was voted to cease the selling of lots until further notice, keeping in mind the possibility of enlarging the cemetery, which has been in existence since approximately 1795. During the year there were 4 interments.

We wish to extend our appreciation to Raymond Rose and the Highway Dept. for the cooperation they have given us in helping to improve the appearance of the cemetery.

MARGARET BOPP, Chairman
FRANCIS ANDREWS, Clerk
JOHN VIERA, Member

COMMENT

I'd like to thank all who helped me in any way to complete this first year as your Treasurer-Accounting Officer. A Special Thank You to former Treasurer, Richard A. Perry who spent many hours helping to foster a smooth transfer of this office.

As we begin a new decade we also plan to modernize our Town Government by utilizing our computer at Bristol-Plymouth Regional Technical School as well as to use other systems in the handling of Tax Bills and Payrolls. There is no doubt we will have our problems at first but eventually these programs will enable us to operate with more efficiency and give us much more information more quickly. You the taxpayer will be the beneficiary of better government.

Respectfully submitted,

ALFRED T. TOWNLEY III,
Treasurer-Accounting Officer

**ANNUAL REPORT
OF THE BERKLEY PLANNING BOARD**

During the calendar year of 1979, the Planning Board reviewed and signed seven (7) plans depicting a total of fifteen (15) lots of land not requiring approval under the Subdivision Control Law.

During 1979, the Planning Board worked concurrently with SRPEDD to draft a zoning bylaw designed to protect Berkley's water resources by declaring certain areas of town as parts of a water protection supply district.

Work was also done with SRPEDD in drafting a proposed general bylaw designed to protect water supplies from gasoline and other chemicals kept in underground storage tanks.

The Planning Board expects to have both of these proposals ready to present to the town in the spring of 1980.

The Planning Board invites all who are interested in the matters of town planning to attend our meetings which are held on the first Monday of each month.

Respectfully submitted,

MAURICEI BEAUDOIN, Chairman
THEODORE F. LIPPOLD, Clerk
S. KENNETH WOODWARD
ANTHONY T. ROSE

REPORT OF THE BOARD OF HEALTH

Mr. Michael Robertson, Chairman
Berkley Board of Selectmen
To the Board of Selectmen:

Gentlemen:

The ANNUAL REPORT OF THE BERKLEY BOARD OF HEALTH follows:

Regular monthly meetings of the Board of Health were held on the first Thursday of each month at the Berkley Junior High School, at 7:30 p.m.

During the June 7, 1979 meeting, John Fernandes was elected Chairman, Mary S. Flint, Member, and William Cabeceiras, Clerk/Member. John Fernandes was elected as Board's representative to the Berkley Soil Conservation Board.

Also, in June appointments were made as follows:

- | | |
|--------------------------------|------------------------|
| Animal Inspector | Gerald McGee |
| Town Physician | Charles M. Souza, M.D. |
| Asst. Sanitary Inspector | I. Frank Wallace |
| Well Inspector | I. Frank Wallace |
| Plumbing & Gas Inspector | Donald French |
| Burial Agent | Francis G. Andrews |

All inspections and supervision of septic systems for 1979, either for new systems being installed or ones in need of repair was done by John Fernandes, Chairman of the Berkley Board of Health, with no expense to the Town.

The Berkley Board of Health did not hold any Rabies Clinic for the year of 1979. A Clinic will be held during 1980.

Permits issued during the 1979 year were as follows:

- | | |
|-------------------------------------|------------------------|
| 0 Campgrounds | 1 Rubbish Hauling |
| 1 Landfill | 5 Garbage Hauling |
| 1 Transfer Station | 3 Needles and Syringes |
| 1 Chemical Toilet | 17 Pigs |
| 3 Temporary Food | |
| 3 Pumping Cesspools or Septic Tanks | |
| 10 Installers Disposal Work Permits | |

The Board of Health would like to thank their various appointees for the fine manner in which they performed their duties.

Respectfully submitted,

JOHN FERNANDES, Chairman
WILLIAM CABECEIRAS, Clerk/Member
MARY S. FLINT, Member
Berkley Board of Health

REPORT OF THE CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

As your Chief of Police I submit the following report for the year 1979:

Arrests and Summons	191
Breaking and Entering (Daytime)	24
Breaking and Entering (Night)	16
Thefts (Daytime)	8
Thefts (Night)	14
Cars Reported Stolen	9
Stolen Cars Recovered	42
Miscellaneous Complaints	1,887
Summons Served	52
Pistol Permits Issued	48
Firearm Identification Cards Issued	27
Motor Vehicle Accidents	65
Dogs Killed by Autos	11
Confidential Reports	15
Missing Persons	10
Licenses Suspended—Registry	11
Vandalism	61
Identification Checks (Auto)	19
District Court	109
Juvenile Court	5
Superior Court	2
Show Cause Hearings	19

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry, Surrounding towns, and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY,

Chief of Police

REPORT OF THE FIRE CHIEF

To the Board of Selectmen:

Gentlemen:

As Fire Chief, I submit the following report for the year 1979.

During the year, the Fire Department responded to 108 calls; building, 21; brush and grass, 34; Motor Vehicles, 25; miscellaneous, 15; illegal, 11; Mutual Aid to Freetown, 2; Mutual Aid from Dighton, 1.

The Ambulance responded to 151 calls for assistance. Morton Hospital, 55; other area hospitals, 34; auto accidents, 18; homes and resthomes, 12; miscellaneous, 17; Mutual Aid to Freetown, 6; Mutual Aid to Dighton, 9; Mutual Aid from Dighton, 1.

I wish to thank the Firefighters, Police Department, and all others who helped me carry out the duties of this Office.

Respectfull submitted,

JAMES BARROW,

Fire Chief

ANNUAL REPORT OF THE PLUMBING INSPECTOR

To the Citizens of the Town of Berkley:

I would like to submit the following report for the year of 1979.

I inspected 29 new plumbing installations in the Town of Berkley.

At the request of the Board of Health I attended a citizens hearing to explain the violations of a plumbing installation within the Town and as a result of this violation a civil action was brought in Superior Court. My presence in court was required on four occasions and as a result of the court action the defendant was ordered to correct the violations. Six inspections of the plumbing installation were required before it conformed to the Massachusetts State Plumbing Code.

I would like to take this opportunity to thank the members of the Board of Health and the Building Inspector, Mr. Irving Wallace, for their cooperation in assisting me to do my job.

Respectfully submitted,

DONALD E. FRENCH,
Plumbing Inspector

ANNUAL REPORT
REPORT OF THE DOG OFFICER FOR 1979

Issued 460 dog licenses.

Six kennel licenses.
for a total of \$1,702.00.

Sixty one stray dogs were picked up and confined for the required ten days period.

Sixteen dead dogs were picked up and disposed of.

Responded to 21 complaints.

Respectfully submitted,

ANTONIO M. FERNANDES
WILLIAM T. MARTIN

REPORT OF THE INSPECTOR OF BUILDINGS

Board of Selectmen
Town of Berkley

In making my visits as Inspector of Buildings during this past year, I have found most construction work to be satisfactory and meeting with the regulations of town bylaws and the minimum standards as set forth by the Massachusetts Building Official Code Administration (B.O.C.A.). All work found not to be in accordance with minimum standards has since been corrected and all builders are currently complying with standards of acceptance.

Records have been maintained and can be considered accurate to the best of my knowledge through December 31, 1979. A monthly report of building permits issued has been filed with the office of the Selectmen and published in local newspapers.

During the year 1979, the following permits were issued by the Inspector of Buildings:

New Homes	15
Barns, Sheds, Miscellaneous Structures	12
Garages	1
Additions	6
Renovation, Reconstruction	6
Swimming Pools	4
Fireplace, Chimneys, Solid Fuel Appliances	63
Demolition and Razing	9
Occupancy	1
Mobile Home Replacement	1
Temporary Trailer	1
Relocation	1
Solar Heating	1
Well Construction	13
Sanitation Installation	14
<hr/>	
Total Permits Issued	148

For the benefit of those who may be considering new construction or the remodeling of existing property in the future, a set of guidelines pertaining to building code regulations is available at the town offices. Regular office hours of the Inspector of Buildings are held most Thursday evenings from

7:30 to 9:30 P.M. where I will be available to answer questions and assist townspeople in completing building permit applications.

Due to the increased demand for permits for woodstove installations, a new procedure for permit application issuance will be implemented in the early months of 1980. It shall include regular seminars to be conducted between 8:00 and 8:30 P.M. on the evenings of regular office hours for the purpose of instructing townspeople about the requirements of the Massachusetts Building Code and National Fireprotection Agency standards for certification, installation, and use of solid fuel appliances and chimneys and flues appurtenant thereto.

There has been some confusion regarding the use of coal in heating appliances designed for wood combustion. Similarly, questions are continually arising regarding the installation and use of homemade or outmoded heating units, many of which are in existing use. "Homemade" untested units are strictly illegal and all used older units must be free from cracks, leaks, and gaps, and all moveable parts should be in good working condition. Owners of such "derelict equipment" are advised to seek the approval of their insurance companies for their continued use under insurance policy regulations. Any such installations should be inspected and approved upon filing application with the Inspector of Buildings.

Respectfully submitted,

FRANK WALLACE,

Inspector of Buildings

COUNCIL ON AGING

To the Board of Selectmen:

The Berkley Council on Aging was established by vote at the Annual Town Meeting in March, 1973, in accordance with the provisions of Chapter 40, Section 8B of the General Laws of the Commonwealth, to carry out programs designed to meet the problems and needs of the elderly in Berkley, and in cooperation with programs of the Executive Office of Elder Affairs in the Commonwealth of Massachusetts.

Programs accomplished by the Berkley Council On Aging for the past year ending December 31, 1979, are as follows:

1. On free flu shot clinic—Victoria influenza (Bivalent).
2. Ten full day Health Counseling Sessions. 60% of the Berkley Elderly or 158 attended.
3. Sponsored a conference to test blood for anemia and sugar diabetes—79 attended.
4. Continuation to provide and distribute Identification Discount Cards.
5. Attended meetings of the Regional Assoc. of Councils On Aging, which we are a member.
6. Participation on the Bristol County Home Care Corp. bringing home care to Berkley elderly. Services include homemaking, chore services, medivan transportation for chronic and long-term medical problems, and specific legal services.
7. Continue to help individual seniors with special needs.
8. Complete renovation and up-grading of the interior of the Myricks Methodist Church Hall to make a Multi-Purpose Senior Center that will be used on a regular basis by all Berkley Seniors. This task was undertaken with \$20,000 Federal funds, \$1,492.00 State funds, \$2,556.00 local matching funds, and over \$4,700.00 in-kind Service, that is, volunteer work by our Berkley Seniors. This was the most energetic, and exhausting task completed by a voluntary Council On Aging Board and a group of very determined Berkley Seniors. Many thanks go to all that willingly participated.

9. Outstanding "Open House and Dedication" of the Berkley Senior Center on December 2, 1979. Speeches, ribbon cutting ceremony followed, refreshments were served, and closed with a sing-a-long. The Center is now being used.

Plans for the future:

1. Continuation of our existing programs.
2. Develop new and useful programs, such as, line dancing, physical fitness, nutrition program, card and bingo games, and legal aid for the elderly. In addition to these programs we intend to have group discussions and catered and pot luck suppers at the Center.
3. Continue to apply for any Federal, State, or County grants that apply to our needs and goals. Our second State grant proposal was refused.

The Council meets once a month on the fourth Tuesday of each month at 1:30 p.m. at the Senior Center, Myricks St., Rte. 79, Myricks.

Respectfully submitted,

HUGH W. KENWORTHY,
Chairman

INDUSTRIAL DEVELOPMENT COMMISSION
OF BERKLEY, MASS.
ANNUAL REPORT

The Industrial Development Commission of the Town of Berkley held several meetings at the Berkley Junior High School during the year 1979.

These meetings were fairly well attended by the members of this commission. Many important matters were discussed and some valuable suggestions were offered pertaining to advertising and locations for new business and industry.

Members were kept fully informed of any new legislative acts or changes in the present legislature regarding industrial commissions in cities and towns in the Commonwealth.

The Commission also noted some improvements were made by the present businesses and members will continue to discuss methods which will induce new industry to locate in our town. With these ideas in mind, we will strive for a brighter future for the town of Berkley.

Respectfully submitted,

EDMOND B. ST. YVES,

Secretary

BERKLEY LIBRARY REPORT

Library Hours: Monday 6-8, Thursday 10-8, Friday 2-5

Summer Hours: Monday 6-8, Thursday 10-8, Friday 2-5

Books Circulated 9,469

New Books—Adults 125, Junior 115, Records 10

We continue to enjoy the Junior High Students every Thursday in the accompaniment of a teacher. The students show a lively interest in the records, cassettes, 8 track tapes as well as books.

Our volunteer student aides are an indispensable help to us. Doreen Sylvia and Barden Keeler earned their senior pins, Patricia Lyman earned her intermediate pin and Lisa Pavao, Jeffrey Sylvia and Lori Riendeau earned their junior pins this year.

The Bookmobile has started servicing the Library again. They made their first trip in October after a delay of many months.

We held an Easter Basket Contest this year for the Junior High Students. Baskets were made and judged. Patricia Lyman won first prize and Julie Rogers won second prize. Prizes were donated anonymously.

The youngsters of the town who covered our Christmas tree with hand made decorations this year did a beautiful job.

I want to thank the trustees, Doris Caron, Gloria Dillingham and all the aides who pitched in and helped when illness forced me to take a two month leave of absence.

During this year we have received many donations of books. Space doesn't allow me to acknowledge all the people who so graciously gave us books but we do thank you especially as the price of books has sky-rocketed along with everything else.

The donations we have received have not been only books. We have received money from the Lioness Club to use as we see fit. From this beginning we have accumulated more funds from generous people dropping change into a can on my desk. Originally we wanted new shelves. Many of our books are laying one on top of another but now with the price of oil as high as it is there may be other thoughts such as insulation, lowering the ceiling, insulated shades, etc.

If you don't see what you want, please be sure to ask because the Taunton Library continues to be a good friend to us.

Respectfully submitted,
ELEANOR DILLINGHAM,
Librarian

BRISTOL-PLYMOUTH REGIONAL TECHNICAL SCHOOL
ANNUAL REPORT—1979

I hereby submit my Third Annual Report to the citizens of the Bristol-Plymouth Regional School District. The School Committee representing the District is comprised of the following people:

- Mr. Frank Moskal, Chairman Berkley
- Mr. William R. Powers, Vice Chairman Raynham
- Mr. Robert S. Stone Bridgewater
- Atty. John D. Ryder Middleboro
- Mr. Richard T. Vincent Taunton
- Dr. Edward J. Lynch Taunton

In September of 1979 Bristol-Plymouth commenced its school year with the largest group of students in its brief history. The educational program at Bristol-Plymouth Regional Technical School serves a total of 896 high school and post-graduate students in seventeen occupational programs. This total represented an increase of fifty-one students in our vocational programs in the past year without any increase in professional staff.

In April of 1978 Bristol-Plymouth was evaluated and received at that time full accreditation from the New England Association of Schools and Colleges. The main objective of the evaluation was to take a close and unbiased look at the institution and develop a written report identifying standards of the school. A series of recommendations were made to further improve the quality of educational opportunity to the students enrolled. At this time seventy-three percent of the recommendations have been acted upon. The twenty-three percent remaining will be considered within the next two years. Much of the credit for the evaluation and the implementation of the recommendations must be attributed to Mr. Albert Lopes who has devoted an enormous amount of time to this project.

In December of 1979 Mr. Paul Couture, Director of Pupil Personnel, passed away. Mr. Couture had been with the school since its beginning. He was a strong advocate of quality vocational education and was involved in much of the initial

planning for Bristol-Plymouth. His contributions to vocational education are known throughout the state and he shall be missed by all of us who are associated with Bristol-Plymouth.

The apportionment of the net appropriation to member communities would be Berkley — \$44,439, Bridgewater — \$161,079, Middleboro — \$213,157, Raynham — \$135,792, and Taunton — \$521,542. The per pupil cost for 1979-80 is \$1,268.88. This total represents a continued reduction in assessments to the members of the regional school district. This reduction has been made possible by sound management policies adopted by the Bristol-Plymouth School District Committee and our efforts to continue to petition the state for continued funding.

Bristol-Plymouth Regional Vocational-Technical School provides a full range of special education services for students in prototypes 502.1, 502.2 and 502.3. In addition to support services in the academic and related areas, speech therapy, adapted physical education, and psychological services, a program to provide individualized instruction in the shop areas has been instituted under a grant from the Division of Occupational Education.

Handicapped and disadvantaged students also receive Title I services in math, as well as a career awareness program funded under a grant from the Division of Occupational Education.

Bristol-Plymouth houses one of the few high school vocational programs for hearing impaired students offered in the state of Massachusetts. This program is administered by the Regional Educational Assessment & Diagnostic Services, Inc. (R.E.A.D.S.) and is funded by a federal grant.

The Evening School program continues to be highly successful and currently service over 1500 people of our district. Numerous charitable, educational, and service organizations use our school on a consistent basis. The United States Government utilizes our nursing facilities on week-ends in what they consider a novel approach to using community resources such as Bristol-Plymouth for training purposes.

Our graduating class of 1979 had the highest job placement in the history of the school. Ninety-five percent of our students were either employed at their trade, joined a branch of the service, or further their education at a technical institute or college. The average pay for people entering their trade was consistently higher than those who entered the labor market with no vocational training.

Our Advisory Board continues to offer us a unique advantage in being able to assess the needs of the community and also to draw upon the expert advice of those people who are professionals in their trade or business. Their contributions and advice continue to help make Bristol-Plymouth an outstanding vocational school in the state.

1979 was a successful and productive year at Bristol-Plymouth. This could only have been achieved through the cooperation of many people, some of whom have been mentioned in this report. I wish to take this opportunity to thank the people who support the educational program at Bristol-Plymouth.

Respectfully submitted,

DANIEL J. SAUNDERS,

Superintendent-Director

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my third report as Superintendent of Schools.

This report is written as we begin a new decade—a decade which will challenge each of us in a different way. Education, however, will face the challenge it has always faced. My thoughts are best expressed by the following excerpt from, “A Long Tug of War” by Fred and Grace Hechinger:

“The history of American public education is the repeated triumph of hope over experience We aimed high and missed, adjusted our sights and missed again. We have never accepted the fact that there are limits to what education can accomplish; in the process we have accomplished a great deal.”

Our past accomplishments and particularly our plans for the 80's are directly related to your continued support and encouragement; in fact, increases in your level of support and in the intensity of your encouragement!

The focus of your encouragement and support in the early years of the new decade will be on facilities. We have longstanding facility problems which must be addressed and solved. Although we are, in fact, experiencing enrollment decline, fewer students will not solve your problem!

Local Facilities

We need a group of interested citizens to step forward and request the formation of a building needs study committee. We have facility problems at the junior high school which, at best, diminish the effectiveness of our programs and, at worst, force us to eliminate programs which should be offered to students in junior high school in the 80's.

We are fortunate to have the professional and support staff we currently have in our schools. The school business, particularly teaching, has always been a challenging job. In recent years the changes in society and the pressure for excellence in our schools has created a different kind of

challenge and, in many cases, intense pressure. We need to be concerned that these circumstances do not cause pressure and stress which precipitate career changes for our effective teachers. Classroom control is, in many cases, the cause of the teacher anxiety which leads to resignations. We cannot be effective in the classroom unless we have the pupils' attention. You, as parents, can see to it through your cooperation and enthusiastic support of the rules and regulations established to maintain appropriate classroom and school behavior.

We continue to operate the system as an administrative team, establishing goals and objectives each year to assist us with the process. A written report of our results is available upon request.

Our focus this current year, 1979 - 80, is on establishing a partnership with parents and the community to achieve the optimum in education for the children we serve.

We have added the three E's of ENERGY, ENVIRONMENT and ECONOMY to the three R's this year, also. We are bringing them into the curriculum and applying what we learn in the classroom to our own school environment.

In addition to those activities and our usual activity, we are working toward implementing the Basic Skills Policy adopted by the State Board of Education. Mr. Alan Patterson, Director of Curriculum, is coordinating our efforts with the primary responsibility for implementation resting with the building principal. You, as parents and citizens, have been asked to participate in the development of our procedures to implement the Policy. The faculty is devoting considerable time and effort to meeting the deadlines. We look on the process as an opportunity to make an intensive examination of what we are doing, where we are doing it and why we are doing it! A lot of work but worth the effort.

Another area of significance has been developed through the creative ability and talent of Carolyn R. Cooper, Administrative Assistant to the Superintendent, who authored the \$49,500.00 grant we were awarded this year for the education of Gifted and Talented students. The proposal submitted by Miss Cooper was in competition with over one hundred fifty other proposals throughout the state. Project GATHER,

the title of our proposal, was one of thirty-five which were selected and one of sixteen which were approved in the area of gifted and talented education.

The project is off to an excellent start under the direction of Margaret Purdy. A report from Director Purdy will be included in my report next year.

During the 1978 - 79 school year the programs we offered to meet the needs of our special students were audited by a State Department of Education team of educators and parents. We were inspected intensively during the three-day visit. The written report we received commended us for the programs we offer and the procedures we are utilizing in addressing student needs.

The audit team made recommendations, also, most of which addressed our facility needs. A copy of the report is available in the superintendent's office. We must take the steps necessary to move our special education programs out of non-instructional areas. Mr. Russell F. Latham, Director of Special Services, is responsible for the success we achieve in approaching compliance with state and federal laws (Ch. 766 and P.L. 94-142). Of course, the special education staff and classroom teachers working directly with the pupils involved are the individuals who make the programs work on a day-to-day basis.

I call your attention to the report of Edward G. Canuel, Principal of Berkley Elementary and Junior High Schools.

Conclusion

Earlier in this report I referred to our emphasis on the three E's, ENERGY, ENVIRONMENT and ECONOMY.

It is impossible for anyone to forecast what the energy situation will be in the future—higher costs? Less availability? The answers to these and other questions will affect our schools. The current school calendar will be studied if costs increase and availability decreases. The decision-making process must give every consideration to the welfare of our school children as our future is dependent on effective public school educational programs. Education must be given primary consideration! Changes we make must be in the best interest of the youngsters we serve.

The administrative responsibility and ever-increasing demands on a school union/region superintendent continue to be an enjoyable, rewarding, consuming challenge. The expectations are beyond what one can accomplish without the support of effective, dedicated building principals and conscientious, hard-working central office administrators. Each one is deserving of your commendation.

The central office secretarial staff also deserves commendation. Each person, in her own way, makes a contribution which helps to keep the entire operation together and functioning smoothly. Our staff performs consistently at a high level of efficiency under the pressure and strain of deadlines—deadlines which are often telescoped by the need for staff assistance on a project or report which was unscheduled. Their adaptability and dependability are what hold the central office together.

The efforts of the support staff in our schools—secretaries, nurses, teacher aides, instructional aides, custodians, and cafeteria workers—often go without the recognition they deserve. Each one helps to make our educational programs more effective in the long run.

Finally, the role of a school committee member has changed in the last decade. Much is asked of the representatives you choose. They make significant contributions to our educational system. They care about our school children, and they demonstrate their concern through their actions. You are fortunate to have them as your representatives.

It is the classroom teacher, in the final analysis, who bears the direct responsibility for the education of our children. I commend our teachers for the job they do on a day-to-day basis. They respond positively to our internal standards and external demands for excellence.

To all the above and to you, the citizens of the town, I am deeply indebted for your efforts, enthusiasm, hard work, and continued support. My work could not be done without you.

Respectfully submitted,

JOSEPH C. HARRINGTON, Ed. D.,
Superintendent of Schools

REPORT OF THE PRINCIPAL

Dr. Joseph C. Harrington
Superintendent of Schools

Dr. Harrington:

I hereby submit my eleventh annual report as Principal of the Berkley Schools.

The year 1979 was designated as the "International Year of the Child". Though no great victories can be claimed as the Year of the Child came to an end, the year's greatest accomplishment may be an awareness that society's pressures are intruding upon the world of children more than ever before. Berkley Schools have always had and will continue to have children as their highest priority.

Our schools have enjoyed a very successful year and this report will deal with three areas that have and will continue to affect our schools as we enter into a new decade. I will briefly discuss our concerns with "Energy", our very satisfying program with "Gifted Students", and our needs for the development of a "Basic Skills Program".

Energy

Our schools are attempting to anticipate the energy problems which may occur this winter and winters to come. We have turned down thermostats, reduced lighting and initiated better plant maintenance practices in both our schools. We have added insulation and reduced the number of lighting fixtures in the Berkley Elementary School portable classrooms. We have lowered classrooms ceilings, insulated classrooms, and installed better windows in some classrooms at the Berkley Junior High School. These conservation measures have succeeded. Other energy savings may result with certain capital investments in the forth coming year. The above measures will not, however, control the energy situation.

As we enter into a new decade, parents, community, and school must be concerned about the energy problems and be willing to cooperate. Our teachers have been alerted to incorporate energy awareness into our curriculum and will do

their part to teach our students about these problems and to help them formulate solutions. Our attitudes, values, and lifestyles are being affected and will continue to change for many years due to the energy crisis. Berkley Schools will accept the energy challenge.

Gifted and Talented Program

We have responded to the increasing concerns of parents and educators to increase educational experiences for gifted and talented students for a second year with Berkley's Gifted and Talented Program. The program that we initiated last year was successful from a student, parent, and teacher viewpoint. However, we have much more to accomplish.

As we enter 1980 two-thirds of our teachers, in both schools, have been exposed to workshops, a course entitled "Teaching the Gifted Child" or the Project Gather in-service program. Our teachers are to be commended for their interest and involvement with our Gifted and Talented program.

Berkley can be proud of its efforts and commitment to such a program. The School Committee, central office administrators, the Gifted and Talented Parent and Teacher Advisory Committee (which number 23), teachers, and parents have been most encouraging and supportive.

Basic Skills Improvement Program

On August 29, 1978, the Massachusetts Board of Education adopted a "Policy on Basic Skills Improvement". These state regulations apply to all public school students in grades Kindergarten through twelve. Each community must establish minimum competency standards in reading, writing, and mathematics by 1980 and for listening and speaking by 1981.

The Berkley Schools have curriculum outlines which set forth objectives in reading and mathematics for each grade level. An objective is what our schools would like the pupil to accomplish. The minimum competency standards are the least the pupil could accomplish and still succeed in school work. Students who do not achieve minimum competency in a subject still could be promoted and could graduate. However, if pupils do not reach the minimum competency standards the School Department establishes, programs would have to be developed to accommodate these students.

As the year 1979 ends, our teachers have been engaged in the first step of the process for developing our Basic Skills Development Program. They have reviewed our reading and mathematics curriculum outlines and have set forth objectives in writing in order to determine the minimum expectations for basic skills competency for our regular educational programs. The Parent Advisory Committee (which numbers 11 parents) has also accepted to serve as the Citizens Basic Skills Committee. This committee will be well informed and involved so they can make contributions to the development of our Basic Skills Program.

State regulations require each community to receive input from various groups—teachers and private citizens. We have thus involved required segments of the community. However, in order to have a clear understanding of this new program and to obtain as much community participation as possible, I will schedule public meetings in the early months of 1980. We hope that you will take advantage of these meetings to become informed citizens.

Conclusion

I would like to publicly thank various community organizations for major contributions and support during this past year. The Berkley Parent-Teacher Organization, The Berkley Police Association, the Berkley Lions Club, the Berkley Lioness Club and the Berkley Public Library Trustees and Librarian have been very interested in the welfare of our students.

Moreover, I must extend my sincere appreciation to the efforts of Mrs. Adella Viveiros and her cafeteria staff, who have continued to provide an excellent hot lunch program and to our janitors who have kept our schools clean in order to provide a good learning environment for our students.

Lastly, I am very grateful for the support and interest of the School Committee, Dr. Joseph C. Harrington and his central office staff, our committed teachers and devoted supportive personnel and volunteers for a very successful and satisfying year.

GENERAL INFORMATION

Kindergarten Registration

1. Child must be five years of age or will be five years of age on or before the following January first.
2. A birth certificate is required.
3. A doctor's certificate of immunization against diphtheria, pertussis, tetanus, measles, and poliomyelitis, unless exempted for medical reasons, must be presented at registration time.
4. A recent physical examination recorded on the Massachusetts Health Form by the child's doctor must be completed.
5. Following the registration, appointments will be arranged for a hearing and vision evaluation at school.

Health Policies

1. In case of illness, doctor's certificates are only necessary for communicable diseases or if specifically requested by the school.
2. No student will be allowed to bring medications to school unless the school nurse has a doctor's order specifically stating the name of the medication, dosage, time to be given, the student's diagnosis, and the necessity of taking the medication during school hours. The doctor's order should be accompanied by a signed and dated note from the parent requesting the administration of the medication. A final check with the physician will be made by the school nurse.
3. Transportation of a sick child is the responsibility of the parent and only in an emergency will the school provide transportation.
4. Vision and hearing screening tests are conducted annually.
5. Physical examinations are given yearly in grades: Four and eight.

School Hours

The Berkley Elementary School is in session from 9 a.m. to 3 p.m.

The Berkley Junior High School is in session from 7:30 a.m. to 1:30 p.m.

School Notes

When a student is absent from school, he is expected to bring with him a written excuse from his parents explaining his absence.

A request for dismissal before the end of the school day should be made in person or in writing by the parent.

The Principal's Office, located at the Berkley Elementary School, is open from 7:30 a.m. to 4:00 p.m.

No School—Stormy Day Information

During the winter when we have snow or ice storms the decision as to whether we have a late start day or no school will be broadcast on the following radio stations between 5:30 and 6:30 a.m.

WPEP Taunton	WRLM Taunton	WSAR Fall River
WALE Fall River	WARA Attleboro	WPRO Providence
WJAR Providence	WEAN Providence	WHIM Providence

There could be a "late start day" announcement followed in an hour or so by a "no School day" if there should be a change for the worse in the weather conditions.

Emergency Situations

Parents should be aware that emergencies may arise while students are in school. Due to the emergency, students may be released early. We would place such announcements on the radio. However, all parents may not be notified. It is very important that parents make arrangements for the shelter and supervision of their children in case of such emergencies. Neighbors or relatives should be notified and students should know what to do if parents are not at home.

Transportation

Bus transportation is provided for our students in Grades K-12. Bus rules for students have been established by the School Committee. A student must not abuse the privilege of riding to and from school by misbehavior. The enforcement of bus rules is the responsibility of the bus driver. Lesser infractions are handled by warnings, and restrictions. When a positive change in the student's behavior has not been affected or a serious offense has occurred, the procedure calls for the student's referral to the Office of the Principal. The next offense will call for a probationary period followed by loss of bus privilege.
